

## DOLBEY INTEGRATED SOLUTIONS

---

### PRESS INFORMATION

For release November 1, 2005

#### **Dolbey awarded contract extension with HealthTrust Purchasing Group**

**Concord, OH** – Dolbey, headquartered in Concord and Cincinnati, OH, and HealthTrust Purchasing Group (HPG), Brentwood, TN, extended their contract for dictation and transcription products through October 2008. Dolbey has provided HPG with its complete line of healthcare technology since 2003. As part of the comprehensive agreement, Dolbey has extended its product offerings to include their newest products, Fusion Voice Management for HIPAA compliant dictation management and Fusion Expert, Dolbey's cost saving speech recognition solution.

"This contract extension marks an important affirmation of our relationship with HealthTrust Purchasing Group, and reflects our commitment to provide the latest technology to the industry." said Kris Wilson, President of Dolbey.

Dolbey's Fusion suite of solutions provides an integrated approach to dictation, document creation and management. With scalable solutions, the Fusion product line meets the needs of small workgroups up to large, multi-site healthcare providers.

#### **About Dolbey**

Dolbey, headquartered in Ohio, has been a leader in transcription and dictation products since 1914. With dealers across most of the United States, Dolbey's client base includes many of the premier hospitals and clinics in the country. Dolbey has proven to be one of the most stable and reliable companies in the clinical documentation industry and for the past three years have been given the highest vendor ranking by a leading national technology rating company.

#### **About HealthTrust**

HealthTrust Purchasing Group (HPG), headquartered in Brentwood, Tennessee, is a group purchasing organization (GPO) that supports not-for-profit and for-profit acute care hospitals, ambulatory surgery centers, alternate care sites, and physician practices. With an annual purchasing volume of more than \$6 billion, HPG is committed to obtaining the best price for clinically-recommended products, ensuring their timely delivery and continuously evaluating and improving our services to the patients, physicians and clinicians we serve.
