**Dictation, Transcription, Speech Recognition, Computer-Assisted Coding & CDI Solutions**

Speech Recognition
Cloud-Based Solutions

Use the power of speech to take control of your EHR. Improve your patient care, reduce clinician burnout, and save time every day with Fusion Narrate.

DOLBEY
SINCE 1914

The Fusion Suite™

Document your patient's story right the first time.

Dolbey named Best in KLAS for Speech Recognition Categories in 2012, 2013, 2014, 2015/2016, 2018, 2019, & 2021

Fusion Narrate® powered by nVoq™ is a cloud-based speech recognition solution with exceptional accuracy. You can use your desktop, iPhone or iPad to dictate directly into any application.

Simplify the documentation workflow with Dolbey's flexible features, including Fusion Narrate CAPD™ and the shortcut builder tool. With the Fusion Narrate shortcut builder, you can easily configure voice commands to automate keystrokes, macros, and web browser actions. Fusion Narrate also has over 100 built-in voice commands to make EHR navigation and data entry effortless.

A quick web-based install lets you access Fusion Narrate in the cloud from your computer, iPhone or iPad. Enhance your workflow and rely on the service and stability Dolbey has provided for over a century to attain the efficiency and productivity your healthcare organization demands.

Wireless microphone for iOS and Android

No on-site servers, simple web-based install

Application virtualization (Citrix and VMware) support

Accuracy optimization service (AOS)

Customizable vocabulary and substitutions

Additional Features

Web-based user administration

Automatic software updates available

Built-in medical specialty dictionaries

On-screen controls for touch-screen devices

More accurate, context-based speech recognition through recurrent neural network technology

Dictation mode with back-end speech and Fusion Narrate Text™ transcription integration

Since 1914, Dolbey has provided voice recording and document management solutions designed to help healthcare organizations improve workflow, boost productivity and increase profitability.

The Fusion Suite platform is Dolbey's line of award-winning software products that includes dictation, transcription, speech recognition, clinical documentation improvement and computer-assisted coding technologies. Together they deliver an end-to-end solution that creates more accurate reporting for critical data elements and improves documentation, reimbursement and patient care.
